There was once a farmer and his wife.  
Era uma vez um fazendeiro e sua esposa.

She had been married before,  
Ela tinha sido casada antes,

her first husband had died,  
o primeiro marido dela tinha morrido,

and now she was married again.  
e agora ela era casada novamente.

They lived on a remote farm  
Eles moravam em uma remota fazenda

in the west of England,  
no oeste da Inglaterra,

and what a pair of fools they were!  
e que par de tolos eles eram!

Which of them was the most foolish?  
Qual deles era o mais tolo?

Listen to the story and decide for yourself.
